[lyrics]

Sulitha

Wishes the rain would melt her skin to clay

To be washed out into the deepest river

In the undercurrent forever she will hide

For the earth became cruel today

Sulitha

Heaven isn't far away

But there will be no cleansing rain

The river froze and turned to red today

You close your eyes and see the witch's blade

Over and over again

Sulitha

Run from your pain

She likes to dance like a floating feather

While the crushing stones hang over her head

Sulitha don't lose your sway

Sulitha for you I will pray
